

Outline of the Blueprint

You must understand ALL of the Laws and Orders that outline what the Military Operation and World Alliance of Generals are using with Trump as CIC.

Donald John Trump is a Military plant. He's the face of the United States Military Operation which is operating with an Alliance of World Generals and UN Security Council amongst many others. He is on the good side of the Continuity of Government.

On November 18, 2022, when he said: "If they're going to investigate me, they must investigate every single President before me, immediately."

All of the Laws and Orders being used, 90% of those were written before him. Let's do the timeline and blueprint here of the Continuation of Government.

Executive Order 12148... signed by Jimmy Carter. Which is called the National Emergencies Act of 1976.

National Emergencies Act breakdown:

<https://www.senate.gov/artandhistory/senate-stories/reasserting-checks-and-balances.htm#:~:text=The%20House%20agreed%20to%20the,reporting%20requirements%20for%20future%20emergencies.>

National Emergencies Act of 1976:

<https://www.congress.gov/bill/94th-congress/house-bill/3884>

National Emergencies Act 1976 read 2:

<https://www.govinfo.gov/content/pkg/HMAN-112/pdf/HMAN-112-pg1119.pdf>

Then ole "Dubya" signed the National Security Presidential Directive NSPD 51/Homeland Security Presidential Directive HSPD-20, sometimes called simply "Executive Directive 51" for short), on May 4, 2007.

National Continuity Policy:

https://www.fema.gov/txt/about/org/ncp/nspd_51.txt

It is a Presidential Directive establishing a comprehensive policy on the federal government structures and operations in the event of a "catastrophic emergency". Such an emergency is defined as "any incident, regardless of location, that results in extraordinary levels of mass casualties, damage, or disruption severely affecting the U.S. population, infrastructure, environment, economy, or government functions.

Definition of Presidential Directive:

<https://www.phe.gov/s3/law/Pages/Directives.aspx#:~:text=Presidential%20Directives%20are%20a%20specific,different%20names%20for%20Presidential%20Directives.>

Another Definition by dot Gov:

<https://asprtracie.hhs.gov/technical-resources/resource/2035/national-security-presidential-directive-51-homeland-security-presidential-directive-2>

Let's just look at one little paragraph under that:

NSPM-4: Organization of the National Security Council and the Homeland Security Council

NSPM-4 establishes the National Security Council System according to the National Security Act of 1947 to assist and advise the President in all aspects of national security policy as it affects the United States.

This is why it's important to read everything. In the Federal Resiliency Act of 2020 (December 7, 2020), it specifies the National Security Act of 1947.

They ALL tie in.

I mean... WHAT are the ODDS that Obama signed an Executive Order in 2009 called:

Establishing Federal Capability for the Timely Provision of Medical Countermeasures Following a Biological Attack

Sec. 4. Continuity of Operations. (a) The Federal Government must establish mechanisms for the provision of medical countermeasures to personnel performing mission-essential functions to ensure that mission-essential functions of Federal agencies continue to be performed following a biological attack.

EO 13527:

👉 Covid was planned a long time ago 100

But you must understand who stepped in and trapped these fools.

The timeline all makes sense when you do the math and blueprint:

Here's how a President must declare a National Emergency:

50 United States Code 1621:

[https://uscode.house.gov/view.xhtml?req=\(title:50%20section:1621%20edition:prelim\)](https://uscode.house.gov/view.xhtml?req=(title:50%20section:1621%20edition:prelim))

<https://www.macpac.gov/subtopic/federal-emergency-authorities/#:~:text=The%20National%20Emergencies%20Act%20authorizes,authorities%20provided%20in%20other%20statutes.>

This law authorizes the federal government to provide financial and other assistance to state, local, and tribal governments; certain nonprofit organizations; and individuals to support response, recovery, and mitigation efforts following a declaration of an emergency or disaster by the president (ASPR 2019). Under the Stafford Act, the Federal Emergency Management Agency (FEMA) coordinates administration of disaster relief to affected states (MACPAC 2018).

The Stafford Act:

https://www.fema.gov/sites/default/files/2020-03/stafford-act_2019.pdf

Which is also defined in 42 United States Code 5121:

<https://www.govinfo.gov/content/pkg/USCODE-2002-title42/pdf/USCODE-2002-title42-chap68-s-ubchapl-sec5121.pdf>

Declaration of Policy:

[https://uscode.house.gov/view.xhtml?req=\(title:42%20section:5195%20edition:prelim\)](https://uscode.house.gov/view.xhtml?req=(title:42%20section:5195%20edition:prelim))

The purpose of this subchapter is to provide a system of emergency preparedness for the protection of life and property in the United States from hazards and to vest responsibility for emergency preparedness jointly in the Federal Government and the States and their political subdivisions.

And the only person who can terminate the National Emergency (ies) is the President who declared it or them:

Look at the paragraph on dates:

The DHS Strategic Plan 2020–2024 includes Goal 5, to “strengthen preparedness and resiliency.” The first objective of this goal is to “build a national culture of preparedness” with a sub-objective to “improve awareness initiatives to encourage public action to increase preparedness.

Similarly, in FEMA’s Strategic Plan 2018–2022, Strategic Goal 1 is to “build a culture of preparedness” with objective 1.3 to “help people prepare for disasters.” The performance measures for objective 1.3 include increasing the percentage of people with savings set aside for an emergency and increasing the percentage of people who have taken preparedness actions.

2017 to 2024.... all a Continuation of Government.

Such term includes emergency preparedness activities conducted pursuant to Title VI of The Robert T. December 22, 2022.

Now let's address this comment. Because there's SO MANY ppl who want to focus on this versus seeing the bigger picture.

👉 Covid was planned long ago 100

Like I said... you must understand who stepped in and trapped these fools.

"They" = RINOs on both sides = Republicans and Democrats = Washington Establishment = Deep State = The Swamp = The Cabal = CAREER POLITICIANS.

"They" never dreamt the Military and DJT would become President. Even though he wasn't. Timestamps prove a COG under a Military Operation from the start. He's a CIC plug = planted.

The COG now called Continuity of Operation Plan was signed by Bush Jr. and Obama. Obama signs an Executive Order in 2009 for what to do after a Biochemical Attack? How in the hell do

you say it's Trump's fault. Fools. It's a brilliant plan via the Military to expose this pandemic plan that was going to control your lives and take more from you the people. Trump is just the face of the Military Operation. There's MANY men and women all over the world involved in this World Alliance Military Operation.

The Military stepped in and trapped these fools. Congress signed their expiration dates and death warrants via the Law of War Manual and the Military Justice Act. Those gave the Military the ultimate green lights to step in and flip this around on these corrupt fools on both sides of the aisle.

When it finally clicks... you'll see this is not a one-party affiliation. This is a chance for ALL of us to unite and kick the asses of these career politicians who've done nothing but divide us for many years only padding their pockets and protecting their interests.

Chaos + Division = Power Acquisition.

Covid was a biological chemical attack. It was going to be used with Hillary as President. They created a problem they already have a solution to. When you know Bush Jr. wrote Presidential Directives for Federal Continuity and...

Even more DAMNING when you apply that Obama wrote an Executive Order in 2009 that specifically says:

"Establishing Federal Capability for the Timely Provision of Medical Countermeasures Following a Biological Attack"

Along with Mainstream News Sources with Bill Gates talking about Pandemics and Vaccines in 2012.

It's VERY easy to see what was going to happen. How it happened is what you need to understand. The Military and World Alliance of Generals gave all of the Washington

Establishment via Congress the chance to do what was right for Humanity... they didn't... they had their rats in Ukraine relinquish these attacks...

It wasn't China. There's multiple cities in Ukraine where Biochemical Labs are = those that Russia's bombing = with the name Chyna attached to the Ukrainian spelling. When you know, you know. It all ties in and makes sense when you apply the timelines and facts.

Obama wrote 3 Executive Orders for Ukraine in 2014.

VP Biden made 7 trips in 7 months to Ukraine in 2014.

In 2014, there was not a traditional election held in March. It was called a "Snap" Election in May. Where Poroshenko "won" the first round and there was not a second round. Obama congratulated him 2 days after the "election."

Putin and CIC Trump side by side on Fox News, November 9, 2016, the wee hours of the morning after the November 8, 2016, election. Caption says, "ready to work with Trump for the 'reset'" Reset in single quotations.

Ukraine breaks the CIS Treaty in 2018 with Russia.

Putin hands soccer ball to CIC Trump in 2018. Russia does not participate in World Cup 2022.

Pelosi, Schumer, Schiff, and Democrats try to impeach CIC Trump over a PHONE CALL with Ukraine President Zelensky, former Actor.

Americans are ALL of a sudden mesmerized by a country 99% cannot place on a map.

ALL of a sudden Russia and Putin are "bad guys" for randomly invading a country who broke a treat with them for one, two, once again, no one can tell why Russia is bad except for simply loving drama and wanting to blame someone for something.

All throughout 2021... it was "Ukraine does NOT have Biochemical Labs."

Take a gander:

And note: MANY of these are AFTER this

Victoria Nuland, the Under Secretary of State for Political Affairs for BIDEN, on CSPAN, under OATH testifying that there are Biochemical Labs in Ukraine.

<https://www.youtube.com/watch?v=Y39veTO7kF4>

Keep in mind, ole Vicky worked for Clinton, Bush Jr, and Obama. Nuland was the lead U.S. point person for the Revolution of Dignity, establishing loan guarantees to Ukraine, including a \$1 billion loan guarantee in 2014, and the provisions of non-lethal assistance to the Ukrainian military and border guard.

So, Russia is just annihilating and bombing Ukraine for no reason?

Or just because they want their land back?

And that requires this kind of list from YOUR taxpayer money as shown here:

Official List of Weapons "sent" to Ukraine:

<https://www.state.gov/u-s-security-cooperation-with-ukraine/>

Nawwwwwwww. Go sell that malarkey somewhere else.

Instead, if you flip the scenario and apply the facts.... it makes a LOT MORE SENSE of what's been going on in the country 99% of 'Cans didn't know about until they were told to.

Obama wrote 3 Executive Orders for Ukraine in 2014.

VP Biden made 7 trips in 7 months to Ukraine in 2014.

Putin hands soccer ball to CIC Trump in 2018. Russia does not participate in World Cup 2022.

Not participating in one of their most LOVED sports... 🐾 the soccer ball represents "The ball is in your Court Mr. President, you tell me what you want me to do."

CIC Trump NEVER started any wars. He got Russia to bomb these Nazi ran Biochemical Labs. They're UNITED STATES BIO LABS...

Which is why the Medal given to Biden is a COG 🐾 dog and pony show. The Ukrainian Insurgent Army fought against Nazi Germany in WWII... hence the original medal.

The only "Ukrainians" fighting in Russia are Nazi Soldiers... defending these Biochemical Labs that the United States Criminals were funding:

Clinton

Bush Jr

Obama

Joe Biden

Nancy Pelosi

John Kerry

Mitt Romney

And many more 100

Whose kiddo was working in Ukraine? Joe Biden.

Hunter Biden:

AFTER Biden's Under Secretary admits under Oath there ARE Biolabs in Ukraine... RINO Republican Mitt Romney, tells Tulsi Gabbard "treasonous lies may well cost lives." Called her comments "parroting false Russian propaganda."

This is AFTER "Bidens" Under Secretary admits under Oath once again... you cannot make this up.

Mitt Romney:

<https://www.businessinsider.in/politics/world/news/sen-mitt-romney-accused-tulsi-gabbard-of-parroting-false-russian-propaganda-after-her-comments-on-biolabs-in-ukraine/articleshow/90196605.cms>

Nearly ALL of those Mainstream Media Articles were AFTER Biden's Under Secretary testified UNDER OATH. And those are just a few I pulled.

It's all to wake up sleepy Americans. It's to outrage Americans that these 'adults' will say one thing and do another. They've been running money laundering schemes in Ukraine, a country 99% of Americans had no clue about until they were "told to care" and have NO CLUE what's going on.

The facts do not lie. Timelines and timestamps do not lie.

Russia is bombing the Biochemical Labs as we already have verified proof of the cities they have bombed, ALL had biochemical labs there.

The Military gave the corrupt politicians the choice. They made their choice. Military Tribunals and Federal Trials will reveal those.

When you truly apply the Military had go-time when Congress signed the Law of War Manual and Military Justice Act... they threw a GIANT metal rod in a gearbox... and welded it in there...

Meaning, they took control and tried to get these people to do what was right by Humanity and many chose the alternative... and Military made them show their cards. They're making them expose and destroy themselves to the public once again.

Luckily, Covid wasn't as bad as they've skewed the numbers. And majority of those "vaccines" were saline.

Luckily the Military knew what was going on and did everything to prevent as much as they could... for those of you blaming the Military... you don't deserve a bucket of piss thrown on you in a fire.

The rest of it was to wake your asses up. We have a system for a reason. It's up to you to understand how it works. And you also must trust people who have your best interest. It wasn't fun for anyone... it's a WAR. And it's up to you to understand who's who and the Blueprint.

You also DO NOT want the Federal Government or a President telling you what you can and cannot do with your body. So, everyone of you still trying to point the blame on Trump...

One, you have no freakin' clue what's going on... if you did, it would click this is a BRILLIANT and STRATEGIC Military Operation that's in control of the COG.

Two, if the President can tell you what vaccine to take... he can also tell you what to drink and not drink, smoke and not smoke, tattoo or not, and the list goes on.

Three, our Founders made the Constitution BROAD for a reason. You do not want the Supreme Court to make judgments on too specific of topics. A law can be passed this year and interpreted a certain way for one group of people... then 30 years later... a new group of Justice's can see that law and interpret it a whole different way and rule against that same group or more.

The more simple the laws and orders, the more freedom. When you learn that. You'll stop pointing fingers and apply that this Operation is actually for more Freedom versus anything else.

Though mainly a distraction that worked flawlessly... 85% of you went NO QUESTIONS asked just like sheep to slaughter and got your "shots" without hesitation. Get on the train! You proved history repeats itself.

All of you that wore a mask. Get on the train! All of you that didn't quit your job for morals and integrity reasons... you just complied... get on the train!

You've all proved how reliant on the Federal Government you actually are. Just in the 1980s, 85% of America were Farmers independent and capable of holding their own. Majority of you will say, "I have to have my job." Well there you go. Get on the train!

The Military and the Government want people who use their BRAINS. They want people to know and appreciate the system that was created for good reasons. Every single one of you reading this... you're here because of the 8.3% of 2.7 million population who FOUGHT and DIED in the Revolutionary War... who created the Branches of Military, the Declaration of Independence, the Constitution, the Bill of Rights, ALL of which are where our Laws and Orders stem from.

The Military stepped in and took over. They are making ALL the evil players of these Laws and Orders they wrote EXPOSE themselves to the public and destroy their institution from WITHIN. DJT is the face of the United States Military Operation and COG, but there's a LOT of people who wrote and passed these Laws and Orders.

The timeline of the Law of War Manual, DJT 2016 Candidacy Announcement, Military Justice Act, and Federal Continuity Directive 1 & 2, ALL prove Military Operation and Continuation of Government and it's NOTHING SHORT of epic, brilliant, phenomenal, monumental, historical, and Biblical.

When it clicks, it will click.

Law of War Manual is the Department of Defense War Manual. It was signed June 12, 2015. It's a combination of Military and Federal Lawyers who took the Lieber Code of 1863, Geneva Conventions, Hague Conventions, Nuremberg Trials, the Law of War Manuals from the United Kingdom, Canada, Germany, and Australia, and all of the strengths of those to strengthen the Uniform Code of Military Justice which is Military Law.

DJT 2016 Candidacy Announcement. What are the odds of riding down escalator 4 days after the Law of War Manual was signed?

Military Justice Act of 2016 was the Supreme Court clarifying Military Laws and Courts are SEPARATE from Civil Laws and Courts. It clarifies Military personnel are DIFFERENT from Civil.

Federal Continuity Directive 1: Signed January 17, 2017... THREE days before DJT took office. Look in the appendix... it talks about DEVOLUTION and RECONSTITUTION.

DJT didn't sign or pass this.

Federal Continuity Directive 2: the IMPLEMENTATION of COG and so much more.

Now apply the timelines:

Law of War Manual, June 12, 2015, updated December 2016.

Donald John Trump rolls down escalator June 16, 2015, to announce candidacy 2016.

Military Justice Act of 2016; the Supreme Court clarifying Military Laws and Courts are SEPARATE from Civil Laws and Courts. Military personnel are DIFFERENT from Civil.

Federal Continuity Directive 1, January 17, 2017.

Executive Order 13818, Human Rights Abuse, 2017, with National Emergency

Abraham Accords 2017.

Steps in front of Queen 2017.

Walks into North Korea 2017.

Crowned King of Saudi Arabia 2017.

Declares Jerusalem Capital of Israel 2017.

Executive Order 13848, National Emergency, 2 months before any Election from 2017 to 2021. Two years before the Presidential Election of 2020. Meaning the only evidence of Fraud was 2016 and prior.

Executive Order 13848, specifically says, no evidence of a foreign power altering the outcome or voter tabulation in ANY United States Election.

Executive Order 13848 = Domestic = Washington Establishment = Deep State = Cabal = the Swamp.

From 2017 to March 2020, DJT declared 9 National Emergencies, 7 in Executive Orders, all were unaddressed by Congress = Military Operation = COG = destroying Federal Corporation.

Space Force was established December 20, 2019.

Executive Order 13912, March 27, 2020, was DJT Federalizing the National Guard and Reserves to Active-Duty because of those unaddressed National Emergencies.

Biden Admin is NOTHING but a Continuation of Government, but they're the side that's exposing their crimes to the public. They're destroying their system. They're all actors. The ones that aren't know what's going on. COG shows so.

"Biden" has extended every single Executive Order with National Emergencies and the 13912 that Federalized the National Guard and Reserves to Active-Duty.

Every Executive Order had expiration dates. Why did he extend policies that do not align with his?

EO 13912 didn't set to expire until March 2022. Why did he extend it in 2021? LOL Extending it in 2022 now makes the NG and Reserves on Active-Duty to March 2024.

The Space Force has never been uttered from "Biden's" mouth. The Space Force articles have never mentioned Joe Biden.

The Army transferred ALL communications to the Space Force in August 2022 for ONE Command. Who's that commander if Joe has never been mentioned by the Space Force? Who established the SF as an independent Military Branch in 2019? #45

The Air Force did not give "Biden" the traditional ride into D.C. on January 20, 2021. Guess who the Space Force is a Department of? #TheFlyBoys

There's multiple documented pictures on the Flight App of Coast Guard on Navy Bases and Naval Helicopters on Coast Guard Stations = Coast Guard is a Department of Homelands Security during Peacetime, they operate under the Navy during times of War.

The Marines are a Department of the Navy. That makes ALL Military Branches operating under Military Operation, Continuation of Government, none of which recognize "Biden" as CIC.

In every single National Guard article, "Biden" has not been mentioned. Only the Secretary of Defense and/or the Commanders of the Brigade, Battalion or Unit.

"Biden" campaigned that he was going to shut down Gitmo (Guantanamo Bay). Why has he not revoked Executive Order 13823, which is DJT's EO that revoked Obama's EO to shut it down? If he was President, he would have the same powers and authority as every other President.

November 15, 2022, speech by DJT full of Comms and Codes:
